DENOMINATIONAL DAY—1955

BOARD OF DIRECTORS MEETING OF THE NATIONAL BAPTIST CONVENTION U.S.A., INCORPORATED

THE BOARD OF DIRECTORS MEETING of the National Baptist Convention, U.S.A., Incorporated, held at Hot Springs, Arkansas, January 19, 1955, opened promptly at 9:30 A.M. with brief remarks by President J. H. Jackson and continued in an orderly manner until the close of the session. One of the largest attendances in the history of the Convention, it brought representatives of all boards, departments and agencies throughout the country who sat in rapt silence and President Jackson got on with the meeting by calling for the reading of the minutes of the St. Louis session of the Convention held in 1954. The minutes revealed the fact that the Convention received, from all sources, \$131,029.75; a disbursement of \$120,947.40; and a balance in reserve, for the development of the program of the Convention, for 1955, of \$10,082.35.

While contributions to all agencies and boards showed an increase over that of the past year, the most significant fact in the report was revealed that the Convention, in its 1954 disbursements, broke all precedents, in that a total of \$71,672.26 was given for Christian education and publication.

Following the report, a discussion followed of the Convention's action on reports and budgets of the various boards and agencies. The presentation of the

agenda, plans for the Diamond Jubilee were completed, approval of a history of the National Baptist Convention and a pageant depicting stories of the first 75 years of the Convention, a campaign for ministers' and Christian workers' retirement fund, church extension and education. A special service honoring Baptist preachers above the age of 75, a factual report of the finance commission, a report of the Baptist World Alliance tour, and ministerial coverage of Social Security were discussed. While the Convention gave its attention rigidly to the business of the Convention, it nevertheless, did not neglect the spiritual life of the board. Worship services were effective and inspirational by those who delivered sermons in the Convention: Dr. M. H. Tynes of Chicago; Dr. M. E. Curry, Denver; and the closing address by Dr. E. W. Williams of Birmingham.

Representatives of boards and agencies as well as messengers of the Convention went away inspired and encouraged to undertake the responsibilities placed upon them by the farsighted program injected by President Jackson and the opportunities which lie before in the increase and on-going of the cause and work of one of the nation's largest and most effective religious bodies.

NEW SEMINARY TRUSTEES ELECTED

The Board of Directors of the National Baptist Convention, U.S.A., Incorporated, at its recent meeting held in Hot Springs, Arkansas, January 19, 1955, approved the following:

1. The creation of a Trustee Emeritus position
2. The election of two alumni trustees
3. The election of four other new trustees
4. A total of six new trustees.

Those named to Emeritus Trustees status were: Drs. E. W. D. Isaac,* Tennessee; J. F. Walker, Ohio; E. A. Wilson, Missouri.

Named as alumni trustees were: Revs. L. J. Burt, Georgia; William H. Donaldson, Illinois.

Other new trustees were: Revs. T. E. Huntley, Missouri; M. Burrell, Louisiana; William McDowell, Illinois, and J. T. Boddie, Maryland.

The Board also approved the changing of the date of the American Baptist Theological Seminary's trustee meeting, from April 13 to May 4, 1955. The action regarding the change of the Board's meeting was taken in the light of evangelistic commitments during April on the part of National and Southern Baptist pastors, and was designed to make for a larger attendance in May than the previous date of April 13.

February 1, 1955

Dear Alumnus:

At the Annual Meeting of The Alumni Association of The American Baptist Theological Seminary in St. Louis, Missouri last September I was given the responsibility of leading a financial drive to secure \$1,000.00 for the Seminary by May of 1955.

Many of the members present promised to give as much as \$100.00 towards realizing this goal. The Association would be happy to receive any amount you give. As an organization we have yet to make a tangible and worthwhile contribution to the Seminary. The type of contribution will be decided upon at our May meeting.

Please make checks payable to The Alumni Association, A. B. T. Seminary and mail to me at 182 Griffin St., N. W., Atlanta, Georgia. Fill out the enclosed card and mail to me immediately. All finances should be in by May 1st. A thousand dollars is a very small goal from such a great organization for so worthy an institution. Let's try to make it \$5,000.00.

Fraternally yours,

L. Juan Burt

P.S. This letter reproduced here at the request of REV. L. JUAN BURT. In case you have not already heard from Mr. Burt, as an alumnus, please follow through with his request as stated here.

DENOMINATIONAL DAY, 1955

Denominational Day was observed again this year on January 12. The theme was "The Growing Unity and Strength of Our Baptist Agencies and Institutions." Dr. W. L. Varnado, chairman, Board of Trustees, gave the devotion preceding the main address, which was delivered by Dr. A. R. Lasley, minister Virginia Street Baptist Church, Hopkinsville, Kentucky, in the chapel at the morning session.

After lunch a panel composed of Dr. George W. Harvey, Editor-in-chief Sunday School Publishing Board and Reverend C. R. Williams, assistant to the Secretary, National Baptist Training Union Board, was moderated by Registrar C. H. Fitzgerald. The subject was "Promotional Methods of National Baptist U.S.A., Incorporated Agencies and Institutions." Mrs. Corene Watts, Southern Director Young People's Department and Mrs. Edna B. Bronson, Editor *Star of Hope*, Director of Missionary Education, Sunday School Publishing Board, led the devotions and took part in the discussion.

A display of promotional materials, books and pamphlets was set up in the library by Acting Librarian G. C. Monroe, Jr., for students to become acquainted with and purchase. Agencies furnishing materials for the display were: National Baptist Training Union Board, The Woman's Convention and The American Seminary.

In the evening all of the visitors, board and agency personnel, students and faculty were invited to attend the annual birthday banquet of President Riley.

University, can be seen to the left, and to the right, Mrs. Ralph W. Riley. Each year the affair, which Dr. Riley likes to think of as a community fellowship dinner, continues to grow and become immensely enjoyable to all who attend.

ANNUAL SEMINARY DAY

SEMINARY DAY, for years, has been a day of concern for National Baptists, U.S.A., Incorporated in the support of the American Baptist Theological Seminary.

On May 15 this year, unusual impetus will be given to the annual Seminary Day appeals for funds by the action taken of the Alumni Association in its efforts to raise one thousand dollars for the Seminary by September, 1955.

Seminary Days have been planned in Peoria, Illinois, with Reverends R. T. Jackson and Wm. H. Donaldson as sponsors; at Humboldt, Jackson and Milan, Tennessee, with Reverends C. M. Houston and J. T. Freeman as sponsors; and at Hamilton, Ohio with Rev. S. S. Hodges and other pastors cooperating.

Any group of Seminary alumni in communities throughout the nation could do this. We are anxious to see other alumni take similar action.

SEMINARIANS HEAR VISITING MINISTER

Faculty members and students from the Seminary heard Dr. George F. McLeod, Scotch Presbyterian minister, speaking in a special chapel service at Vanderbilt University on January 27.

Included in the group were President Ralph W. Riley, Professors C. H. Fitzgerald, J. F. Grimmett, and Acting Librarian George C. Monroe, Jr.

Dr. McLeod, speaking on the priesthood of believers, said that the reformation did not convert the priesthood to the laity but converted the laity to the priesthood.

He further stated, "There's an immensity of priesthood going on among working people that we as ministers fail to recognize. We must recognize it and use it as a lever to a higher vision of Jesus Christ."

SEMINARY HOST TO STUDENT CONFERENCE

THE SEMINARY will be host to the tenth annual meeting of the Fellowship of Baptist Theological Students March 30-31, 1955. The conference was organized in 1946 on the campus of the Southern Baptist Theological Seminary, Louisville, Kentucky, by National and Southern Baptist theological students. Since that time the conference has grown to number hundreds of students and alumni from twenty or more colleges and seminaries from every section of the United States including American Baptists, National Baptists of America, Southern Baptists and National Baptists U.S.A., Incorporated.

The main purpose of the conference is to bring together Baptist theological students to discuss problems related to their field of work and to fellowship one with the other across convention and racial lines.

Rev. John S. Harris, a student at Southern Seminary, Louisville, Kentucky is the executive director and will have charge of the over-all planning for the conference. All students, alumni and schools that have participated through the years are invited to come and share in the discussions.

Henry J. Franklin, of the American Seminary, is a member of the executive committee and will serve as the general chairman of the conference.

Two courses are offered to students by correspondence. The first course is a course leading to the *Certificate in Christian Training*. This course is open to those who have not reached high school and it comprises two (2) years of study in religious subjects to complete it. The second course is one that leads to the *Diploma in Theology*, and it is open to persons who have had some high school training or beyond high school. This course requires three (3) years of study to complete. The Seminary is happy to serve through this department all who wish to study under direction of the Seminary. For full information address:
